

AUTEC 425

CAR WASH SYSTEMS™

PERFECT FOR RETAIL CAR WASHES WANTING MULTIPLE WASHES

Welcome to our deluxe soft-touch model. Opportunities to customize your car wash abound, so you can optimize your AUTEC investment for your unique location – and choose what features those particular customers want and need. Whether you're a car dealership, retail car wash, repair shop, or convenience store, you're in good company: The AUTEC 425 washes thousands of automobiles each day in those locations, 24/7, all around the country.

EXHAUSTIVE FEATURES

Go beyond the other soft-touch AUTEC car wash systems, with even more customization, from 1 to 4 user-defined programmable options, to adding a blower set or two.

THE AUTEC EXPERTS

Your success is our success. From discussion to installation to ongoing guidance, our experts are with you for the long haul.

PERFECT MATERIALS

Decades of research led us to our meticulously designed cloth cuts, as well as the hardware and ideal volume of soap and water to accompany it. We think you'll agree that our signature wash material is second to none!
